Subject: Willamette needs to be cleaned and working waterfront needs support

Please make sure the cleanup plan honors the hard work that goes on in the Portland Harbor.

First, let me say that I strongly support a cleanup of the Willamette River. However, I also don't think that our local businesses and families can afford to pay huge bills for the cleanup. The EPA should make sure the cost to implement the plan is reasonable.

I know you care about our community and our economy. Thank you for reading and for doing what's best for our region and our jobs.

Sincerely,
